COUNTY COMPETITION RULES (Appendix 1) – GROUP STAGE FORMAT

1. The Competitions Committee may agree an alternative format for a Competition to include a Group Stage.
2. Participating Teams will be drawn into a Group – the number of Groups will be determined by the Competitions Committee
3. In a Group, home and away matches shall be played. In the event of a Club failing to keep its engagement the Competitions Committee shall have power to inflict a fine not exceeding £50, deduct points from the defaulting Club, award the points from the match in question to the opponents, order the defaulting Club to pay any expenses incurred by the opponents or otherwise deal with them except the award of goals. Notwithstanding the foregoing home and away provision, the Competitions Committee shall have power to order a match to be played on a neutral ground or on the opponent's ground if they are satisfied that such action is warranted by the circumstances.
4. Team rankings within each Group will be decided by points with three points to be awarded for a win and one point for a drawn match. The teams gaining the highest number of points in their respective Divisions at the conclusion shall be adjudged the winners.

In circumstances where two or more teams are equal on points team rankings shall be determined by goal difference where the goals scored against by each team shall be deducted from the goals scored by that team and the largest positive difference shall be placed the highest. In the event of the goal difference being equal the highest placed team shall be the team which has scored the most goals. In the event that two or more teams have the same goal difference and have scored the same number of goals then the highest placed team shall be the team which has won the most matches.

In the event of the two teams still being equal the team which has the better playing record against the other team in their head to head Competition matches during the Season will be the highest placed team.

If the records of two or more teams are still equal and it is necessary for any reason to determine the position of each then the teams affected shall play a deciding match or matches as determined by the Competitions Committee.
5. When a Group is completed and team rankings determined – the Competition will proceed as agreed by the Competitions Committee until a Final is achieved
6. Any Club found to have played an ineligible Player in a match or matches may have any points gained from that match or matches deducted from its record, up to a maximum of 12 points, and may have levied upon it a fine. The Competitions Committee may also order that such match or matches be replayed on such terms as are decided by the Competitions Committee which may also levy penalty points against the Club in default.

Matches abandoned, caused through the proven misconduct of a team or its participants will be referred to the Competitions Committee for review. The Committee may levy penalty points against the team proven to have caused the abandonment.

In exceptional circumstances the Competitions Committee may, at its discretion, award the points available in the match in question to the opponents, subject to the match not being ordered to be replayed.

7. With the exception of the preceding rules, the County Competition Rules shall apply to all Competitions which include a Group Stage format.
