

Press Release

Harborough Town FC are delighted to announce the appointment of Mitch Austin as their new First Team Manager.

Chairman of senior football at HTFC Peter Dougan says; "We had some very good quality coaches and managers apply for the position. We wanted to keep the process as short as possible and conclude the appointment before the players head to Holbeach on Saturday.

Mitch's drive, passion, ambition and clear vision of where he believes HTFC should be matched that of the club.

I would like to place on record my thanks to all whom applied and contributed to an incredibly hard decision.

Dougan concludes: "We are delighted to officially welcome Mitch to the club and believe this to be the right appointment at the right time for both parties, and we look forward to the future.
