## HARBOROUGH TOWN FOOTBALL CLUB ANNOUNCEMENT

Harborough Town Football Club would like to welcome all our members and private users back to football from Wednesday 2 December, operating within Tier 3 restrictions.

Please find below details of our operating requirements according to Government restrictions relating to grassroots football:

### 🌟 FIRST TEAM 🌟

May return to training and compete in matches. They may travel between tiers, however any matches played at HTFC will be behind closed doors, with NO supporters.

### 🌟 ALL OTHER SENIOR TEAMS, INCLUDING PRIVATE USERS 🌟

May return to training and compete in matches ONLY within tier 3 areas. Any matches will be played behind closed doors with NO supporters. Team members are NOT allowed to travel from different tiers to attend training or matches.

### 🌟 YOUTH TEAMS 🌟

All teams under 18 are considered to be minors and can travel between tiers to train or play matches. When travelling to matches ONE adult (parent/guardian/carer) may accompany their child (this would be in addition to the coach if their child plays in the team they are coaching). Siblings under the age of 18 may travel with the adult if they cannot remain at home.

ONE adult (parent/guardian/carer) may observe their child whilst training, from OUTSIDE the pitch fencing, they MUST observe strict social distancing between each (parent/guardian/carer).

Car sharing is allowed but should be kept to a minimum.

The club encourages all our members & private users to follow the government guidelines as closely as possible, and that face masks are worn wherever possible.

### 🌟 THE CLUB HOUSE 🌟

The club house is CLOSED. The club will, however, be able to serve take-away drinks and food, via a catering unit which will be located in the club car park.

The board of trustees would like to thank you for your continued support and understanding whilst we all work through the impacts of Covid-19. We will keep all members and users informed of any changes as and when they occur.

Please keep safe and well
