

Harborough Town FC

Following the UK government's announced '*road map out of lockdown*', we are pleased to share with you our plans to return to football.

TRAINING

ALL teams can return to training from Monday 29th March. This includes youth, adult, inclusive, and private users. For the time being we will continue to temperature check players/coaches upon arrival to ensure we can operate as safely as possible. These measures will be reviewed periodically by the board, and any changes will be communicated to members.

FIXTURES

First Team

The FA has confirmed that the National League System at steps 3 to 6 has been curtailed. Discussions are underway regarding league-sanctioned Cup Tournaments or Friendlies – please keep an eye on the club's social media channels for details.

Reserves, Veterans, Sunday Adult Teams & Leicestershire Inclusive Partnership Leagues

We have not yet been advised on whether these leagues will continue or not. As soon as we are made aware, we will communicate the information.
